Investments:
Interested in Foreclosure Investments? Currently we are one of the most active foreclosure buyers throughout the islands. As such, our goal is simply to establish and maintain long term successful, profitable relationships with our investors and partners. We believe with consistency, integrity and synergistic efforts, no matter the economy real estate can and always will be a profitable investment.

Who We Are:
Chad CEO/Manager
Email Me
For the past 16 years, Chad has had extensive experience in all aspects of the real estate industry. He has founded numerous companies over the past 16 years involved in real estate brokerage, lending, land acquisition, entitlement, development, foreclosures, property management and investment partnerships. Moku'aina Properties is excited to have Chad as our CEO to grow the company throughout the Hawaiian islands.
Tyler Director of Acquisitions
Email Me
Tyler, oversees and manages the firm's real estate investments, development projects and foreclosure acquisitions. A licensed real estate broker in Nevada and California with 11 years experience in commercial and large-scale residential real estate brokerage, investment and development, he is responsible for the sourcing and structuring of a wide variety of complex, off-market, value-added transactions.
His duties also include the growth and development of the Foreclosure department of the firm. This includes the assistance in the creation and capital fund raising for Hawaii REO Fund 1, LLC, a foreclosure real estate fund and the oversight and management of foreclosure deal flow, value assessment, property tracking and max-bid assessment.

About:
Moku'aina Properties, LLC was founded in 2008 to take advantage of the numerous real estate opportunities that are available in a down real estate market. "Moku'aina" simply means "Island Land" in Hawaiian.
Moku'aina Properties, LLC is headquartered on Oahu but is actively pursuing real estate opportunities throughout the Hawaiian island chain. Moku'aina has positioned itself both horizontally and vertically throughout the Hawaii real estate market as it covers the entire island chain as well as in all aspects of real estate: brokerage, development, investment partnerships, foreclosures, short sales, construction management, lending and property management.
